What is AWANA?

AWANA is one of the largest, most fun, Bible-centered, non-denominational children's and youth ministries in the world. This is the place where children have the chance to develop positive, healthy relationships and life-long character qualities based on God's principles.

What happens at AWANA?

Each 90 minute session features three segments to maximize children's attention, energy, and time:

Game Time (fun & interactive), Handbook Time (children work through age appropriate handbooks to creatively learn God's purpose for their lives), and Council Time (singing, working together with peers, and key promises from God's Word.)

How are Kids from 3 years of age to 8th Grade divided up?

Cubbies are for ages 3–5 years Sparks are for Kindergarten to 2nd Grade T&T is for Grades 3-5.

We have limited enrollment so register soon! \$25.00 per child all ages (Scholarships available)
